We invite you and your organization to partner with WE ACT this fall as we honor key advocates and changemakers of the environmental justice movement, celebrate our achievements, and look toward our future.

As a partnering sponsor of our Annual Gala, your organization will be recognized as an institution committed to supporting and amplifying the work of frontline communities to achieve equitable environmental health for all.

Please consider becoming a partner to continue WE ACT's necessary work!

WE ACT is Northern Manhattan's leading environmental advocate at the city, state, and federal levels. At left, WE ACT Executive Director Peggy Shepard and Deputy Director Cecil Corbin-Mark speak at the 2018 Solar Uptown Now press conference on the roof of 128 West 138th Street, joined by project partners from Solar One, UHAB, 770 Electric Corp./Grid City Energy, Manhattan Borough President Gale Brewer, and residents from 128 West 138th Street.
